

Blue Cloud Farms

proudly offers

Weekly summer riding camps

for ages 8 - 17

Our camps at Blue Cloud Farms focus on the riding skills that are needed for work in horses. Camps are in intimate small groups (4-6 kids per camp) to focus on a strong foundation for learning how to ride and how to take care of a horse. During the week, we learn how to take care of our horses, different types of riding with a focus on English hunters, what natural horsemanship is, and how to get ready for a show. Each day includes two group lessons in different activities, talks on horse care, hands on presentations, daily swimming and, on the last day, a horse show for the parents.

Camps range from introduction camps, intermediate to advanced camps. Bring your own horse or ride one of our wonderful lesson horses!

Camp dates;

Introduction Camps (learning walk and trot) - June 20 thru June 23

Intermediate Camps (W/T/C + small jumps) - June 6 thru June 9

Advanced Camps (W/T/C + 2' course) - July 11 thru July 14

Camps start on a Monday morning and end with a pizza party on Thursday afternoon. Each camp costs \$500 per person

***** Bring sunscreen, a lunch and a bathing suit as we go swimming after a day of riding! *****

For more information on our camps, natural horsemanship workshops, training and sales at Blue Cloud Farms, check out our website at www.bluecloudfarms.com

To sign up for our camps, please contact Kaia to ensure your placement in our camp. Ph# 303.882.4994 or Email kaiarose.littleblackhorse@gmail.com

Thank You!!!
